Objective

Work for an organization which provides me the opportunity to improve my skills and knowledge to growth along with the organization objective

Experience

Developer at Samadhaan

- I am working on app to address complaints of Palwal city. Complainant can file complaint with respective department and it would send to admin (MLA of city) and the concerned department.

Projects

Robotic Arm using Arduino

- Capable of placing object from one place to another and over another object.
- Programmed to hold hose pipes and sprinkle water on burning buildings.

EMERGENCY VEHICLE DISPATCHER

- Website that shows number of emergency vehicles to deploy for a specific time interval of the day.
- Dataset of a city trained to plot graph between vehicles required and time intervals.
- Admin and coworkers access defined accordingly.

Achievement

Runner Up

->HACKTU

HACKTU was a 24hr Hackathon in which our team of 4 developed a health care website where customer enter their disease, salt they are taking and doctor validate them. A graph is plot for salt consumption in a particular age group that is shown to Pharmacy companies.

Governor Awarded

->UP Bharat Scout and Guide
